

# GALE CRAIG

" I see in the universe, a mystical world of flowing energies. Since I was a child, I have been captivated by the colors of the energy in all things. I am drawn to express this magnificence through my art. The energy of the colors flow through me and guide me. Through my work, I hope to share with you the healing effects and ethereal beauty of this eternal energy."

## PAINTING

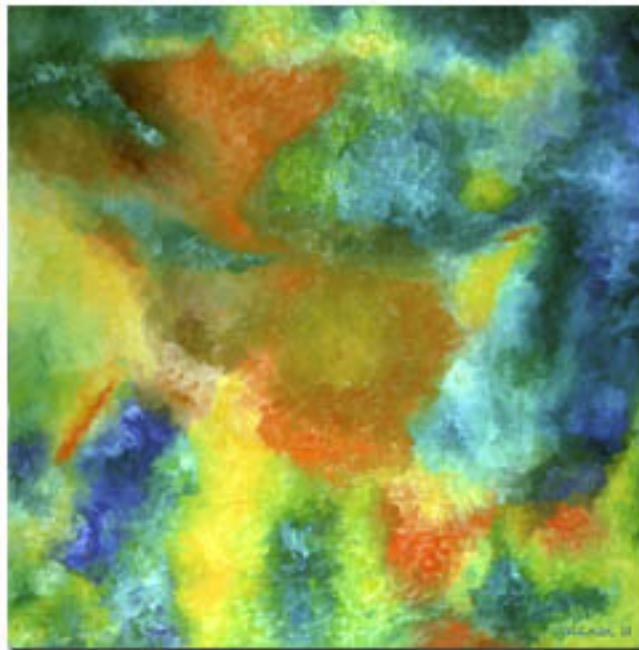

I welcome you to my studio and thank you for visiting. You will see that my paintings are like looking at the clouds passing overhead - Everyone sees something different. May these colorful visions bring you joy.

Gale is a member of the Sedona Visual Artists Coalition and a volunteer at the Sedona Arts Center. She is one of the featured artists during Open Studios 2004 in Sedona and has accomplished commission work on the East and West Coasts.

In Sedona, she has exhibited at the Wet: Poetics and Politics of Water show in October at the Sedona Center for Arts and Technology. Gale also designs one of a kind jewelry, which she markets under Dancing Light Designs.

## JEWELRY

Handcrafted in Sedona, Arizona artist Gale Craig's creations are inspired by Sedona's vibrant landscape and energy.

Earth Energy Collection features the warm earthy shades of Arizona's high desert semi-precious stones and sterling silver.

Spirit Energy Collection captures the ethereal beauty of Sedona's vortex energy - Swarovski Austrian crystal surrounded by sterling silver beads.

The jewelry can be custom-designed or personalized with names and birthstones.
